

ICMMA 2026

International Conference on Mathematical Modeling and Applications

International Conference on

Interfacial phenomena: bridging theory, computation, and experiments

2026, September 7, 8, 9

Onsite only: Room 603, 6th floor,
Nakano Campus, Meiji University

← More Information:

<https://cmma.mims.meiji.ac.jp/eng/events/ICMMA2026/index.html>

Speakers

Yen-Hsi Richard Tsai (University of Texas at Austin, USA)
Julien Dambrine (Université de Poitiers, France)
Ko Okumura (Ochanomizu University, Japan)
Kazunori Kuwana (Tokyo University of Science, Japan)
Takeshi Ohtsuka (Tokyo University of Science, Japan)
Hiroyuki Kitahata (Chiba University, Japan)
Yutaka Sumino (Tokyo University of Science, Japan)
Masashi Mizuno (Nihon University, Japan)
Elliott Ginder (Meiji University, Japan)
Koichi Sudoh (The University of Osaka, Japan)
Mafumi Hishida (Tokyo University of Science, Japan)
Koya Sakakibara (Kanazawa University, Japan)
Lorenzo Cavallina (Tohoku University, Japan)

Organizing Committee

Chair: Elliott Ginder (Meiji University)
Members: Hiraku Nishimori (Meiji University)
Ken-Ichi Nakamura (Meiji University)
Shigetoshi Yazaki (Meiji University)
Karel Svadlenka (Tokyo Metropolitan University)
Nobuhiko J. Suematsu (Meiji University)
Jun Okamoto (Meiji University)

ICMMA2026 is partly supported by
Meiji Institute for Advanced Study of Mathematical Sciences (MIMS)
MEXT Grant-in-Aid for Scientific Research (C) No.26K06933 (2026-2028)

Meiji Institute for Advanced Study of Mathematical Sciences
8F High-Rise Wing, Nakano Campus, Meiji University,
4-21-1 Nakano, Nakano-ku, Tokyo 164-8525
